CLASS DESCRIPTIONS

Aquatics: Participate in strengthening, balance, and range of motion exercises led by survivor Jason or Bill while in the water

Balance Activities: A variety of activities to improve your balance

Book Club: Let's read together and discuss

Brain Games: We will play a variety of games this month to stimulate your brains and have fun working together as a group

Creative Conversations: Group conversation and activities. We talk about everything under the sun. This is great for people with aphasia, but others like it, too

Lunch & Learn: Short educational presentations over a variety of topics

Out and About: We like to be out and about in our community!

Stretching Exercises: Let's work on safe ways to stretch tight, spastic muscles.

Questions: Please contact Joan Diehl Kennedy, Program Coordinator at joank@americanstroke.org or 913.649.1776
