CLASS DESCRIPTIONS

Art: Did you know art is good for your mind as well as for self-expression? Get your creative juices flowing by engaging with various art mediums!

Chat and Chew/Book Club: Group discussion of selected readings.

Brain Teasers/Sharpen Your Mind/Wake up your Brain: Engage in problem solving activities that encourage higher level cognitive and perceptual skills such as planning strategy and problem solving.

Clean Up: Take pride in maintaining a clean environment. Everyone joins in a task to keep the place clean - wipe down, throw away trash, etc.

Creative Conversations: Our volunteer speech therapist gets participants talking and connecting with one another.

Dialogue: Discussion and sharing on a variety of topics that impact recovery.

Focus on the Hand: This group will offer exercises and other techniques incorporating art/craft projects to address hand movement and/or compensatory strategies.

Give Back: Give back to the community by preparing “gifts” for others

GratiTUNES: Singing and reading activities while having fun and showing gratitude. Be inspired by others, laugh, and sing tunes.

Life Skills: Join occupational therapy students & staff who facilitate sharing of strategies, demonstrate adaptations, and/or develop skills for life.

Messaging: Participant sharing of “lived experiences”.

Morning Muscle Moves/Body Balance/Range of Motion (ROM): Moving joints throughout the body from head to toe while working on your core strength and balance in this movement group.

Music: Did you know that music helps our brains? Music helps us to move, speak, and helps us emotionally! Sing-a-long with familiar tunes.

Seeing It All: Visual scanning activities.

Stroke Education Series: Co-hosted by ASF and KU Health System featuring education by stroke specialists. Care partners are invited!

Survivor Support: Retired pastor, Don, comes to share stories and boost the group’s spirits.

MAY BIRTHDAYS...

None this month.
